Money from March competitions not received from club yet.

Still owe money for WL prizes.

Handicap Secretaries Report.

Josh Johnson handicap dropped to 24 based on WL performance.

24 handicap transfers into club (mainly from Hartford) but include 2 from Helsby (who have not played any comps at Helsby, only general play rounds), 1 from Hawarden who has only submitted 3 cards at Hawarden to obtain a handicap) and 1 igolf member (general play rounds only).

All tees reset to default settings on WHS dashboard. With the new rules the system has been modified so if any holes are out of play they can be excluded and the algorithm will work out the 18 hole score.

No meeting to report on. Alyn has now left. Interviewing for a replacement.

Greenkeepers have found the cause of the waterlogging on the 17th fairway and rough. It's a drain blocked / damaged by tree routes.
